

Dear learners, parents/guardians & stakeholders,

As We Return to Another Lap of Academics!

The mid-year break provided a chance for us all to recharge, and now it's time to refocus our energies. Our matriculants have embarked on their preliminary examinations, a critical milestone in their academic journey. We encourage our learners to approach these exams with confidence and determination.

But it's not just our matriculants who need to stay focused – we urge all our learners to make the most of this period. Whether you are in Grade 8 or Grade 11, consistent effort and dedication will pay off in the end. Let us work together to build momentum, overcome challenges, and achieve our academic goals.

We also take this opportunity to express our appreciation for the tireless support of our parents and guardians. Your involvement and guidance play a significant role in our students' success. As we navigate this important phase, we look forward to continuing our collaborative efforts to ensure our learners achieve their full potential.

We wish all our learners every success in the remainder of the year, and we're confident that with hard work and perseverance, you will excel and reach new heights!

Our Learners Excel in Annual Maths Olympiad!

A group of talented learners from Glen Austin House recently participated in the Level 3 District Mathematics Olympiads held at the University of the Witwatersrand (Wits). The competition, designed to challenge young mathematical minds, drew participants from various schools across the region.

The Wits Mathematics Competition is an annual event that attracts thousands of learners from primary to high school levels, providing a platform for them to showcase their problem-solving skills. The competition has two rounds divided into five levels, catering to a wide range of participants.

The learners' participation in the competition demonstrates their mathematical prowess and problem-solving abilities. We congratulate them on their achievement and look forward to their future successes in mathematics competitions.

Celebrating the life of Maqhawe Khuzwayo

Glen Austin House

The Glen Austin House community came together to pay tribute to the life and legacy of Maqhawe Khuzwayo, a bright and beloved Grade 11 learner. The memorial service, held at school, was a heartfelt celebration of Maqhawe's life, attended by family, friends, and colleagues.

During the service, three of Maqhawe's close friends stepped forward to share poignant and heartfelt tributes to his memory. Their words captured the essence of Maqhawe's spirit, and offered a glimpse into the impact he had on those around him. The gathering was a testament to the love and respect Maqhawe inspired in his community.

As the community came together to mourn the loss of a talented young life, the memories of Maqhawe's laughter, friendship, and achievements will undoubtedly continue to inspire and uplift those who knew him. May his memory be a blessing to all who loved him.

Spreading Love and Kindness the Glen Austin House Way

In celebration of National Mandela Day, our learners had an amazing time at The Village Safe Haven, where they lent a helping hand making food hampers for kids in need.

Nelson Mandela International Day was founded by the United Nations in November 2009, with July 18 declared as the annual observance date to honor Mandela's birthday and legacy. The idea was inspired by Mandela's 2008 message urging the younger generation to fight against social injustices worldwide.

We are beaming with pride over our learners' compassion and community spirit! At Glen Austin House, we are committed to nurturing a sense of social responsibility and making a positive impact in our community.
